Easter ConFest 2016 Thursday 24th March to Tuesday 29th March

The ConFest site is on the road between Moulamein and Deniliquin, about 13KM from Moulamein on the right side if you are coming from Moulamein. Watch out for the ConFest sign and the DTE countdown signs as you approach. For more information confest.org.au or dte.org.au or try our help line **0434 720 295** 5pm to 9 pm

Online tickets **\$100** www.trybooking.com/KHJG Gate price **\$150 cash**

We are trying to migrate ticket sales away from the gate to online and the new price reflects the increase in costs..

When you enter ConFest you leave the mainstream world of "service delivery" behind. You become a participant in the well-being of the ConFest community. Two hours minimum work is included as part of the adult ticket price. At ConFest, people often set up villages with differing themes. ConFest is a clothing optional space, this means ConFesters can wear, or not wear anything they chose. Everywhere at ConFest is clothes optional. There is just one simple rule, respect other ConFester's choices.
